The screenshot displays the Google Workspace pricing page. At the top, it lists 'Solutions', 'Products', 'Pricing', and 'Resources'. Below this, a row of application icons is shown: Gmail, Drive, Meet, Calendar, Chat, Contacts, Jamboard, Docs, Sheets, Slides, Keep, and Forms. The main content area features four pricing columns: Business Starter (\$6 USD per user/month), Business Standard (\$12 USD per user/month), Business Plus (\$18 USD per user/month), and Enterprise. Each column lists features such as 'Custom and secure business email', '100 participant video meetings', and '30 GB cloud storage per user'. A 'pricing link' is indicated by a blue arrow pointing to the Enterprise plan's 'Contact sales' button.
